

## **New Service Opportunities for CORRECTIONS & TREATMENT FACILITIES**

The Corrections & Treatment Facilities Committee of District 13-C has received requests for several new meetings in hospitals, detoxes and Jails. We are in need of many volunteers to either chair or speak at these New Meeting Opportunities. We need to enlist your help to get this message out at the home group level.

**We currently have New Opportunities are for groups to:**

- **Adopt a new meeting at a facility**
- **To chair a new meeting at a facility**
- **To speak at a meeting at one of these new facilities**

If a Corrections or Treatment Center Meeting is registered with District 13-C, we would like to provide literature needed for meeting and Pamphlet Racks.

If your group is currently providing a monthly or weekly meeting, please have a Group Representative attend the monthly CPC/PI and T&C.

Does your Group want to adopt an Institutional Meeting?

Would you like to carry the AA message into Treatment Centers or Jails?

**Attend CPC/PI Committee Meeting at 3pm on the  
4<sup>th</sup> Sunday of the Month @ Turning Point**

Attendance at the monthly meeting will allow District C to confirm that your meeting is registered and eligible for free literature and meeting books. If your meeting is not registered with District C, you can fill out a form and become eligible to get free literature and meeting books for your meeting.
